## GUIDELINES FOR LAWNS AND HORTICULTURE

Dear residents,

It is our privilege to have a large area of lawns with green grass, plants and appealing horticulture in the **Pinnacle complex**, which apart from cleansing the environment, adds to the beauty of the complex. In addition to hard work of horticulture team, every resident and children have to contribute to maintain the greenery of the complex at its best. Following guidelines needs to be considered to achieve our goal.

1. Playing of ball games in the lawns damages the grass cover, plants, light fittings and it can be injurious to other residents. Ball games are therefore prohibited in the lawns.
2. Dust bins have been provided in the lawns. Please use them to avoid littering and instruct your children and maids also to do so.
3. Please do not pluck flowers and leaves of plants.
4. Please do not throw any garbage, stone, soil or any other object / material in the water bodies.
5. Equipment in children play area are not to be used by maids and servants to avoid over loading and damage.
6. Entry of pets in the lawns is strictly prohibited.
7. Any other activity which may adversely affect the grass and plantation should be avoided.
